

High-Temperature Connector Kit

(EMP21)

- Includes our most popular Tech Expert® by NAPA® Echlin® High-Temperature Connectors
- Applications for Blower Motor Resistors, Headlight Harnesses, and Cornering Lamp Harnesses
- Plug-and-Play Simplicity: Factory-assembled connectors and extended lead wires make installation quick

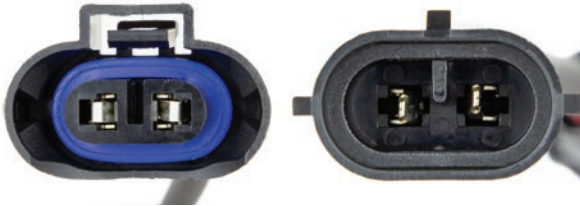

EMP21 Contents

Part #	Qty	Bulb	Description
HWH101	2	H11	Cornering Lamp Harness
HWH103	2	9005	High-Temperature Headlight Harness
HWH104	2	9006	High-Temperature Headlight Harness
HWH105	2	9004	High-Temperature Headlight Harness
HWH106	2	H4	High-Temperature Headlight Harness
HWH110	2	H13	High-Temperature Headlight Harness
BMC100	1	N/A	High-Temperature Blower Motor Resistor Connector
BMC119	1	N/A	High-Temperature Blower Motor Resistor Connector

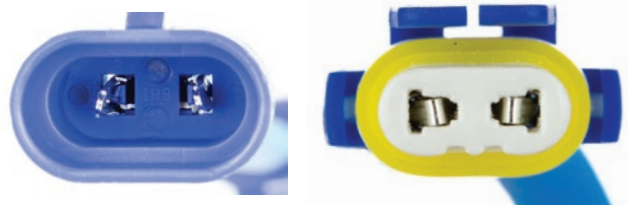

HWH101

High-Temperature Cornering Lamp Harness (H11)

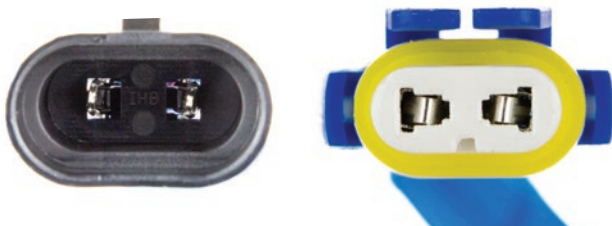

HWH103

High-Temperature Headlight Harness (9005)

HWH104

High-Temperature Headlight Harness (9006)

HWH105

High-Temperature Headlight Harness (9004)

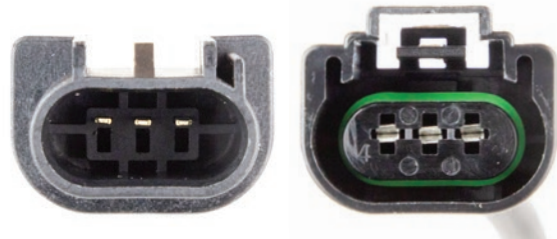

HWH106

High-Temperature Headlight Harness (H4)

HWH110

High-Temperature Headlight Harness (H13)

BMC100

High-Temperature Blower Motor Resistor Connector

BMC119

High-Temperature Blower Motor Resistor Connector
